

FRESH FIG AND GOLDEN TOMATO CHUTNEY

Fig and Tomato Chutney

Sweet figs teamed with the savory sweet essence of fresh golden cherry tomatoes, accompanied by round notes of caramel from raw Agave nectar, a boost of cardamom, and ginger, a pinch of sea salt for good measure, polished by [Grappa](#) infused drunken currents; Fig and Golden Tomato Chutney, the consummation of all that is good and right with the world. I love canning season!

Each year, I attempt to discover the pinnacle of flavors designing new recipes using fresh figs. This years crop of figs was rich flavored, plump and perfect. Golden tomatoes were also in rare form, and so became the counter balance to the sublime, sweet flavor of the fresh Kalamata, Totato figs. This recipe is truly a gem!
