

FLORAL EDIBLES LIST WITH PHOTO

Borage

Versatile in flavor and visually stunning, edible flowers add beauty and grace to any plate.

This list is a work in progress. I will also be adding original photos for each variety, as time permits.

EDIBLE FLOWERS, HERB and VEGETABLE

FLOWERS: Almost all herb, vegetable and fruit flowers are edible. Some varieties can cause stomach upset or allergic reaction. If you are prone to allergic reaction err on the side of caution and eat only what you know has

not bothered you in the past.

Rose: (rose hips, petals) mild, sweet, honey flavor,
mild rose essence, red, pinks, white, yellow

Rose Petal Jelly recipe

Orchids: light cucumber – various colors
