*Only one spot remains on Team Saucy Mama with 25 of the Sautiest home-cooks are vying for coveted LAST SPOT!*

Thank you TEAM SAUCY MAMA for choosing me as one of the 25 to compete for the LAST SPOT!!!

My first recipe submission for the coveted LAST SPOT on Team Saucy Mama...

## **POLISH ZAPIEKANKA. CATEGORY: BACON**

A zapienkanka (Polish pronunciation: [zap'ɛ'kaŋka]; plural: zapienkanki, pronounced [zap'ɛ'kaŋk'i]) is an open-face sandwich made of half of a baguette or other long roll of bread, topped with sautéed white mushrooms, cheese and sometimes other ingredients, and toasted until the cheese melts. Served hot with ketchup, it is a popular street food in Poland. With its origin dating back to the 1970s, the zapienkanka is associated with the austere times of Poland's Communist regime, but it has enjoyed renewed demand in the 21st century, which has also brought a wider range

of varieties. SOURCE: From [Wikipedia](#), the free encyclopedia

This *SUPER-SAUCY* sandwich showcases two delicious Saucy Mama products and a heap of crispy smoked BACON! My family loved testing this meal and it's become a regular on our weekly family menu. The versatility of the dish is what makes it so appealing for family dinners, and parties. Zapiekanka is like pizza in that, the toppings can be adjusted to fit your mood. All veggie Zapiekanka, or all meat style...it's entirely up to you.

The Spicy Ketchup made with Saucy Mama's *ALL NATURAL Cracked Pepper Marinade* is fiery and sweet; the cracked black pepper mixed with sweet ketchup and mayonnaise makes the sandwich sing in your mouth! The mushrooms get the "Saucy Mama treatment" too, with a big helping of the *Champagne Honey Mustard* (my new favorite SM mustard to date).

This delicious and historical Polish street food sandwich, is elevated to restaurant quality meal with the addition of *Saucy Mama's All Natural Mustard's and Marinades!!*

Ingredients

1.  $\frac{1}{2}$  pound bacon, cooked and crumbled
2. 2 small French baguettes, cut in half lengthwise
3. 4-6 cups baby Portobello mushrooms, sliced (substitute with any mushroom)
4. 1 medium shallot, coarsely chopped (1/2 cup)
5. 1 teaspoon sea salt
6. 1/2 teaspoon black pepper
7. 1 tablespoon fresh thyme, chopped

8. 1 tablespoon fresh sage, chopped
9. 1/2 tablespoon fresh rosemary, chopped
10. 1/4 teaspoon red pepper flakes
11. 1/4 teaspoon chili powder (optional)
12. 2 tablespoons bacon grease
13. 1/4-1/2 cup hot water
14. 1/4-1/2 cup wine, white or red
15. 2 tablespoons Saucy Mama Champagne Honey Mustard
16. 2 teaspoons cream or milk
17. 1 teaspoon flour
18. 8 slices or 2 cups grated gouda or Dutch Edam cheese
19. Salt and Pepper to taste
20. 1 cup ketchup
21. 2 tablespoons Saucy Mama Cracked Pepper Marinade
22. 2 tablespoons mayonnaise

To prepare the mushroom base

1. Heat a cast iron skillet to medium high
2. Cooked bacon until crisp, remove bacon from pan and crumble.
3. Set bacon aside until ready to make sandwich
4. Remove all but 2 tablespoons bacon grease from pan
5. Add chopped shallots/onions, to hot bacon grease and cook till translucent, about 3 minutes.
6. Add chopped mushrooms, reducing the heat to medium-low as this process will extract the water content in the mushrooms but not dry them out.
7. Sauté until mushrooms start feeling tender and drastically decrease in size, about 20 minutes. If mushrooms appear dry, add some of the hot water and continue to sauté.
8. Once the mushrooms have softened add all the spices and herbs, and continue to cook for an additional 5 minutes. The chili is optional if you prefer some heat. After the spices have been well absorbed, add the wine, Saucy Mama Champagne Honey Mustard, water and cook for an additional 5 minutes, remembering to add extra hot water if they look dry to create a slight sauce texture.
9. After the liquid is well absorbed and the mushrooms are fragrant. The mixture should be thick yet still wet. Thicken the sauce by making a paste from flour, cold water, and cream; gradually stir into the mushroom mixture. Cook this mixture for an additional 5 minutes.

To prepare the Zapiekanka

1. Preheat oven to 400f degrees
2. On each half baguette pile several spoonfuls of the cooked mushrooms, pressing the mixture down with the spoon.
3. Place the prepared baguettes on a baking dish and top with cheese and crumbled bacon.

Notes

1. This recipe is just as versatile as pizza! Try adding your favorite ingredients to make

delicious new combinations of Zapiekanka.
