

OPERA JOURNEY

I love singing opera and have performed in numerous professional productions in my lifetime. Singing with the Colorado Opera Festival in Colorado Springs, Colorado Springs Choral Society, The Denver Symphony Orchestra Choral, Opera Colorado, Denver, and many recital, solo, and special event appearances.

As a 30 year veteran Cosmetologist and Owner of *The Beauty Brokers*, in Old Colorado City, Colorado Springs; I've also acted as the *Principle Make-up, Wig and Hair Designer* for a majority of my singing career. Please enjoy a few photos from my opera journey!

Music, Food and Family...it's what makes my heart sing!
